FOREWORD

We, the Seniors of 1948, are about to leave forever the halls of Leaksville High School. Our four years here have been happy and profitable ones and we do not wish to leave them behind without some expression of our gratitude.

To our teachers, we extend our most sincere and grateful appreciation for their patience and understanding in their efforts to instill in us the knowledge to carry us through the future years.

To our class mates, we express our most fervent hopes that our future lives may not be wholly separate and apart though each has his own path to travel.

As another link in the chain of thoughts of our high school days, we publish this annual in the hope that it will bring back, in the future, the cherished memories of the past.

This book we dedicate

WE, THE members of the Senior Class of Leaksville High School, respectfully dedicate this, the 1948 Weaver, to the parents of the students of the Senior Class, to express our appreciation for the cooperation they have shown toward helping us build a greater Leaksville High School.

Without their support, we would have been unable to promote successfully many of our school activities. Their untiring efforts have enabled us to complete a very joyous and happy high school education. Without their encouragement, many of us may have been inclined to falter along the way.

The Student Cooperative Council is an organization which endeavors to promote better understanding between the student body and the administration. This group is composed of representatives from every class, and gives an opportunity to the entire student body to express themselves on important issues and make decisions in regard to certain student rules. All members of the association meet every two weeks, but it has a standing committee which assembles during the intervening period.

HONOR SOCIETY

Norman Sturtevant, Hal Shinn, Wilford Redmon, Elanda McCollum, Margaret Davis, Betty Baker, Mrs. Hinternhoff, Margaret Dietz, Carlisle Campbell, Mrs. Dininny, Joan Roberts, James Burgess, Vivian Ferguson, James Norman, Charlotte Sedberry, Ruby Smith, Richard Thomas.

The induction this year of Members into the HONOR SOCIETY marked the first time that students have been recognized in a club of this type for scholastic leadership.

This organization follows the suggested constitution in that, after the list of seniors and juniors making a scholastic average of ninety per cent or over had been compiled, the faculty chose fifteen per cent of the enrollment of the senior class and five per cent of the enrollment of the junior class. This selection was made on the basis of the student's standing in regard to character, leadership, service, and scholarship.

The Honor Society, with the help of a faculty council, works out plans to stimulate more ambition on the part of the student body for higher scholastic attainment, achieved without a self-centered attitude, thus promoting the idea of good citizenship which comes through a high sense of honor and the unselfishness of service.

The Leaksville High School Football team completed a mediocre season by winning two games, tying two and losing seven. Perhaps the main reason for the several losses can be attributed to the fact that the team was competing in Class "A" competition for its first time and its second year of football since before the war.

The defeats were administered by the hands of such strong clubs as Gray, Hanes, Reidsville, Martinsville, and Mineral Springs.

BASEBALL

First row: Donald Stegall, Thomas Haynes, Fred Smith, Talmadge Harris, Kent Moseley.

Second row: Mr. Rhodes, Richard Carter, Tommy Donovant, Pete Litaker, Preston Holt, Junior Gillespie, Billy Hawkins, Clarence Hall, "Bat Boy."

After one year of successful playing in Class "A" conference ball, the battle of the diamond again got off to a better start than ever before.

Under the excellent coaching of Raymond Rhodes and this being the second year of Class "A" Ball, the team has a greater possibility of being one of the best teams in the country.

After scheduling their games, the team was given the full support of the students and faculty. With spirit, willingness to fight and the support of the school the boys should take many victories.

Fieldcrest Mills

Division of Marshall Field & Company

Leaksville, N. C. — Spray, N. C. — Draper, N. C. — Fieldale, Va. — Zion, Ill.

Facts about Fieldcrest Mills

1. Fieldcrest Mills employs more than 6,000 of the 17,000 people in the entire Marshall Field & Company organization.

2. There are 13 separate mills in the group located at Leaksville, Spray, and Draper, North Carolina; Fieldale, Virginia; and Zion, Illinois.

3. These mills produce a wide range of quality textile products and consume substantial quantities of the major fibres: cotton, wool, rayon, and nylon.

4. All the products are woven excepting hosiery, which is knitted. The mills start with the raw material and turn out finished products.

5. The Fieldcrest Mills have always led the way in new and better products: such things as Fieldcrest Embroidered Bedspreads; Karastan, the wonder rug of America; Fieldcrest curtains of fine lace; the Fieldcrest Thermostatic Blanket; Fieldcrest towels, blankets, sheets, and bedspreads; Fieldcrest lace tablecloths; Cel-O-Sheen tablecloths of gleaming rayon; Fieldcrest La France hosiery and scores of other items to beautify American homes.

6. Design experts, color experts are employed to keep the products attractive; and a completely equipped testing laboratory, right at the mills, checks the quality of the products at all times.
